

First Tee - Augusta believes all kids deserve to feel excited to grow, safe to fail and better equipped for whatever comes at them next. At First Tee - Augusta, we do this by exposing them to the game of golf, but more importantly, their inner strength; with coaches who help them navigate on and off the course. We are looking for passionate and caring individuals in the Thomson area to help us engage more children and parents. Please join us for an interest meeting for more information.
