

Game Changers Summer League

First Tee - Augusta Game Changers Summer League offers a variety of individual and team six - hole events which provides participants an opportunity to learn how to play tournament golf while developing and improving their game. By utilizing age/skill appropriate tees and maximum score per hole, this summer series is designed to educate golfers and challenge them to become independent golfers. Participants are expected to keep score, walk, and carry or push their clubs. The goal of the series is to help juniors become comfortable on the course and develop their game (and character) in a fun and friendly atmosphere. Participants will be excused for outside tournament play.
